

## Who are Faith in Action?

We are a Merton-based charity, here to help people experiencing homelessness, sleeping rough, sofa-surfing, or living in temporary or hostel accommodation.

Our staff and volunteers can help you get your life back on track. We have a warm, dry room where you can enjoy a nutritious hot meal. We can help you find a job and somewhere to live.

We also have contacts with other agencies and charities.

**Together**, we can help get you back on your feet and start moving on.

## To get in touch...
